

Cape Ann Star Fleet

Est.
1931

Four boats from Rockport made it down to Westport, CT for the 2002 District 1 Championships of the Star Class. The event consisted of five races with a throwout. The CLIS fleet did an outstanding job on and off the water as we all had a great time.

Jake Fiumara and Joe Chambers nearly defended last year's victory settling on second place by half a boat length. Bruce and Steve Engel teamed up, improving on their finishes each day ending in 12th place. Jay O'Malley and Patrick Cushma had a couple of good races and a couple of not so good races before heading out early on Sunday to get a jump on another week selling Edison Light. They settled in at 21st overall. Jim Kubik and John Tagliamonte rounded out the contingent from Rockport in 27th.
